WHO WE ARE

Our organization has two work fields. The first is Dance Club: we manage a number of dance courses, organize different cultural and art events. Another one is Youth Office where we develop international projects, training courses, info-seminars for youngsters in Bodrum and raise awareness about European opportunities within the frame of Erasmus+ programme. What is more, we are running our office and dance school in accordance with Green Office rules and terms.

We:

- organize underwater cleaning together with Bodrum Municipality
- develop local projects for Bodrum young people
- organize Turkish-Greek meetings and culture exchanges
- run international projects within Erasmus+ programme
- organize International Bodrum Dance Festival
