

HASAN KALYONCU UNIVERSITY PRESENTS

"Enhancing Entrepreneurial Skills of Youth Workers Through Education"

ERASMUS+ KA153 – Mobility of Youthworkers

20 – 27 AUGUST 2023 - Gaziantep, TÜRKİYE

OBJECTIVE OF THE PROJECT

- Promote entrepreneurship: The project seeks to start active studies in the field of entrepreneurship and raise awareness of youth entrepreneurship among NGOs working with young people. By promoting entrepreneurship as a viable solution to combat youth unemployment, the project aims to encourage young people to explore entrepreneurial opportunities.
- Capacity building of youth workers: The project aims to increase the capacity of youth workers working in NGOs by providing them
 with the necessary knowledge and skills related to entrepreneurship. Through specialized training, workshops, and educational
 activities, the participants will enhance their understanding of their role in society and their ability to support and guide young
 people.
- Foster future projects: By equipping the participants with entrepreneurial knowledge and skills, the project aims to inspire and facilitate the development of prospective projects in the field of youth entrepreneurship. The participants will be encouraged to apply their learning to create new job opportunities and contribute to the economic growth and development of their respective countries.
- Guidance and mentoring: After the project, the participants will be able to assist young people who are struggling to enter the later market through guidance and counseling activities. By sharing their acquired knowledge and experiences, the participants will encourage young people to pursue their own business ventures, instill self-confidence, and provide information about existing policies and grant projects.
- Promote entrepreneurship education: The project aims to enable participants to organize information activities on entrepreneurship
 for young people in their respective institutions. They will provide basic entrepreneurship education, guide young people in analyzing
 business plan development, accessing financial resources, branding, patenting, and technology transfer. They will also facilitate
 communication with relevant governmental bodies and technical committees.
- Enhance personal and professional skills: The project seeks to enhance the personal and professional skills of the participants. They will develop skills in effective project organization, presentation, public speaking, teamwork, and active participation in international friendship and cooperation. The project will establish a multicultural learning environment and promote learning to learn, including case studies against xenophobia.

CULTURAL NIGHTS

Don't forget to bring some traditional music for the intercultural evenings. We will have one cultural night per country where you can expose your customs, traditional dances and culture.

Please !!!

All the teams must prepare some presentation of your country in a creative way (try to avoid PowerPoint and movies from tourist agencies).

We hope, that your culture means you something more than national food and drinks. Also bring the flag of your country. It would be nice if you bring also some small souvenirs with you (costs are not covered).

Traditional Clothes

Souvenirs

Chocolates&Snacks

You can only use public transportation.

Participants must bring all financial documents such as invoices, electronic tickets and boarding passes etc. of all relevant travel costs to be reimbursed.

An ideal participant profile for this project could include the following characteristics:

Experienced in youth work: Participants should have experience in youth work and a genuine interest in addressing youth unemployment. They may have worked in areas such as youth development, guidance, education, or youth policies.

Interested in entrepreneurship: Participants should be interested in entrepreneurship and passionate about promoting entrepreneurial opportunities for young people. Prior experience in entrepreneurship or a background in entrepreneurship education would be beneficial.

Strong communication skills: Participants should possess excellent communication skills, both written and verbal. They should be able to effectively communicate ideas, deliver presentations, and actively engage in group discussions.

Education and mentoring skills: As the project involves providing guidance and education to young people, participants should have the necessary skills in education and mentoring. They should be capable of helping young people discover their potential and effectively guide them through the process of entrepreneurship.

Collaborative and team-oriented: Participants should be comfortable working collaboratively in an international setting and have a strong ability of world in teams. They should be open to diverse cultural contexts, understand different perspectives, and be able to collaborate with various stakeholders.

Willingness to learn and progress in entrepreneurship: Participants should demonstrate a willingness to learn and improve their skills in entrepreneurship. By actively participating in the project's training and activities, they should aim to enhance their entrepreneurial competencies and advance in the field.

Age requirement: Participants should be 18 years of age or older. There should not be an upper age limit to ensure inclusivity and allow for a diverse range of participants.

By selecting participants who possess these characteristics, the project can effectively work towards its goals of increasing awareness of youth entrepreneurship, providing support to young people, and building the capacity of youth workers in the field.
